Each week of the third term staff and course members will meet in a Median Group

17/4/23 Median Group

24/4/23 Median Group

1/5/23 BREAK

8/5/23 Median Group

15/5/23 Median Group

22/5/23 Median Group

29/5/23 BREAK

5/6/23 Median Group

12/6/23 Median Group

19/6/23 Median Group

26/6/23 Median Group

03/7/23 Median Group

The Median group lies between the small analytic group with its family dynamics and the large group in which them-and-us splits and feelings of anonymity and depletion often predominate. The basic aim is deceptively simple: learning to talk to each other. This involves building bridges across the divides of social and

cultural experience as well as personal experience.
